

Jesus said, "Let the little children come to me and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14

Grow in ability to interact positively with peers and adults;

Our curriculum is based on Christian teachings, the principle of active learning and an awareness of the developmental needs of young children. Activities are planned to give the child mental, physical, social, emotional and spiritual experiences through individual hands-on activities, small group interaction, and free and pretend play. A wide range of experiences is also enjoyed through community visitors.

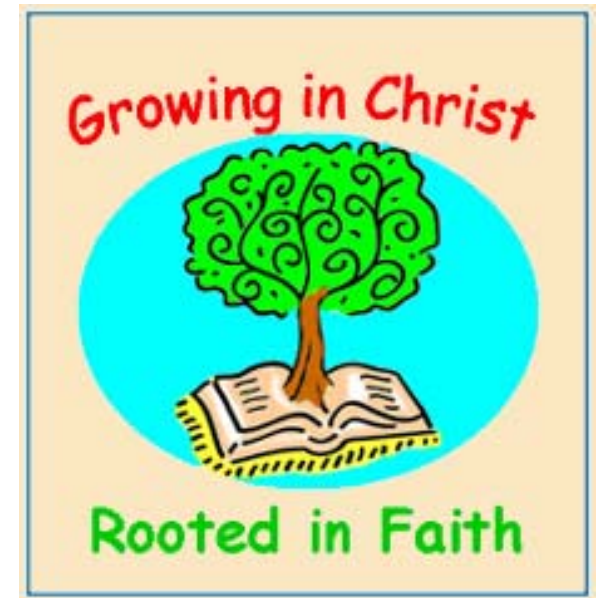

Our Christian Preschool has a professional staff of experienced teachers with training in early childhood education. Our school is a member of the Greater Kansas City Christian Early Childhood Association.

Extended Day is designed to serve children enrolled in Bethany Preschool and Pre-K. The children spend the remainder of their day participating in free play, lunch time, games, art activities, stories and rest time in the afternoon.
